

## OUR ENVIRONMENTAL POLICY

TEKGRAFİK Endüstriyel Plastik Tasarım San. ve Tic. A.Ş. aims to leave a cleaner and more livable world to future generations with the idea of protecting natural resources and the environment with the awareness that the world we are a part of does not belong to us but is entrusted to us. In line with this principle, it aims;

- Ensuring waste management with a zero-waste approach,
- Protecting the environment by preventing pollution at its source,
- Use natural resources efficiently and increase recycling,
- Increasing the environmental awareness of our employees, customers, suppliers and society and contributing to climate change sensitivity in order to transfer a clean and healthy environment to future generations,
- Complying with all applicable legal requirements regarding our environmental aspects,
- Continuously improving and developing our environmental performance,
- Optimizing the use of all resources required for our production activities and
- Working in cooperation as Tekgrafik to achieve the objectives of this policy.
